## No Ponies Can Pony Two Ponies to Pony

Goal

4

Win this Goal when:  
Any Pony is shipped with 6 Ponies.

Brave Trixie looked swiftly around the bright light room with a plainly surprised look on her soft, azure face: there were so very many ponies in this amazingly fancy, decorated, marble and velvet room! They were all gaily laughing and dancing, singing in melodic canary yellow voices, chattering like hapless cats. She wondered briefly how she would ever compare. - Canterlot Tails

## Coup d'état

Goal

3

Win this Goal when:  
You replace 4 Pony cards in one turn.

There was no menace in Rarity's voice-- that was the worst thing. She was calm. She was at peace, and even seemed to think her actions kind. "We shall do things rather differently from now on," she said. "And some ponies will not like it I expect. But you cannot make a fine garment without making a few cuts, and either their objections will have to go, or I do think they will." - Of Ponies and Peril, Chapter 3

## Friends in High Places

Goal

3

Win this Goal when:  
Any Pony with the OC keyword is shipped  
with 2 Ponies with the Princess keyword.

Fluffle Puff blushed as she walked through the hallways by her beautiful illustrious teacher, the princess Celestia! She was so amazed at all the things she saw! Then Luna came to walk next to her and she felt her smile get really big. She was making so many friends, and her, a brand new alicorn! - Blood and Darkness, Chapter 2

## Recolor

Goal

2

Win this Goal when:  
You give a Pony the OC keyword.

So, she's the daughter of Spike and Zecora, so of course she's black with zebra stripes, but since she's part dragon they're purple stripes obviously. And she's been betrayed and Celestia took her horn away -- oh yeah, she was made an alicorn for being so studious and smart! And she's naturally really wise too. I forgot to mention all that. Anyway, she's my OC and I can't wait to write a story about her!
